## ***HELP US TAKE A SHOT...***

*At Winning the 2006 NSPS Student Team Competition  
In Orlando, Florida April 21-26*

### ***Solar and Celestial Observations for Direction and Position Determination***

We will be presenting a paper and participating in the field exercise competition to determine the direction of a pre-assigned line through celestial observation and utilizing mid-20<sup>th</sup> century methods and equipment.

We are collectively volunteering our time at the conference thus waiving associated fees,

But we can't get *there* from *here* without

**YOUR HELP !!!**

**We need generous sponsorships to help cover:**

- ⊕ Airfare
- ⊕ Meals
- ⊕ Motel Accommodations

*We are also looking for :*

**Vintage Clothing from the 40's and 50's**

*To Add to The Authenticity of the Exercise*

- ⊕ Parks Department Uniforms
- ⊕ BLM Uniforms
- ⊕ Military Uniforms
- ⊕ Anything a mid-19<sup>th</sup> century surveyor would have worn in the field!
